Andrea,

In order for an application to be placed on the agenda for any board meeting the following things need to happen:

- All documents must be submitted and the fees paid by the agenda deadline (for the July 7th meeting is was June 23rd)
- The examiner has reviewed the application and contacted the applicant with any corrections needed
- The corrections are received by the deadline
- The Director deems the application to be complete before the deadline

The next board meeting will be September 7th. There are currently 4 applications ahead of yours that still need to be reviewed.

Thank you,
AMCO Staff

Oh no! What did we miss? What docs do you still need? We have to make the meeting date! Can you please add one more day to agenda? What can we do to assist?

SOS!

Please advise on what we can do and what we did wrong to miss the agenda… when is the next meeting date? Is there another one this month? Oh please, say yes!

Thanks you guys! We know your doing your best and working awfully hard.

Best,

WIldflowers

Good morning;

We have received your documents, and payment. Your application is now under review. It is not on the agenda for our July meeting.

Thank you
