I believe that August 10th at 10:00 a.m. I will be there unless tomorrow I find it conflicts with anything else coming up for next week. Thank you for your call today and also thank you for the quick response. I look forward to our meeting!

I guess you might not remember me. Anyway I look forward to our discussion. Sorry to hear you were receiving a large number of calls from my staff. I will

do my best to lighten that up. Thank you!
