Subject: Objections to Marijuana business on Main Street in Talkeetna, Alaska
Date: Monday, February 13, 2017 3:53:24 PM

To the Marijuana Control Board,

RE:Objection to specific marijuana establishment license for:
Jmdn Enterprises, LLC and/or The High Expedition Company
13465 E. Main Street, Talkeetna, AK 99676
P.O. Box 1127, Talkeetna, AK 99676
Current license application # 10901 and previously license application #10641

Please consider denying the licensing of the above Marijuana business in Talkeetna, Alaska. I am an RN at the local clinic and mother of four youth. I have been living in Talkeetna for the past 9 years. We are already dealing with the effects of too many drugs in our community, that are far too accessible. This proposed marijuana business in located at the end of our Main Street, next to a camping park, and the busiest part of the river where families and youth go to view the Alaska Range and enjoy our beautiful town. I am extremely disappointed that up to this point it seems the marijuana selling rules seem to be manipulated or ignored toward the above license allowing the selling of marijuana in many forms right where our kids hang out the most, and in close range to two parks and a baseball field. Please consider that this location is too close to parks and many businesses that are in objection to the type of traffic and the type business it will bring. Even the families I know that have no objection to marijuana being legal, do not want it sold on our Main Street. Our EMS is already overloaded and

we dread the effects this business will have on the health of our community and the already overstressed health care system.

At the least there needs to be a hold placed on giving this license until you are able to do further investigation into the legality of selling marijuana at this site.

Thank you for your consideration,

Anna Jolley
