

LIEN WATCH: A Review of Small Community Liens

JANUARY - FEBRUARY 2007 UPDATE

INTRODUCTION

Community well-being is multi-faceted and dependent upon the successful operation of multiple community entities including local governments, tribes, and non-profit community associations. For entities with employees, the reporting and remitting of employment taxes on a consistent basis to the federal Internal Revenue Service (IRS) and to the Alaska Department of Labor and Workforce Development, Employment Security Division is a critical indicator of community organizational management capacity. Timely compliance with court orders, or a lack of court orders entirely, is also indicative of effective organizational management.

Charged with promoting community and economic well-being with particular focus on rural utility management, the Division of Community and Regional Affairs' (DCRA) Rural Utility Business Advisor (RUBA) Program is sponsoring *Lien Watch*. The purpose of *Lien Watch*, as developed by DCRA's Research and Analysis Section, is to proactively identify community entities struggling with cash flow or lacking effective management capacity as represented by active tax or court-related liens.

The presence of liens filed against one or more community entities may be an indicator of significant community hardship. The RUBA Program uses this information to identify communities at risk, promote quality community leadership, and build local utility management capacity in rural Alaska.

Unresolved state and federal tax liens and court judgments levied against municipal, tribal, and utility entities in communities with less than 1,500 persons are identified using public domain liens data dating from July 1, 2000 to December 31, 2006 as provided by the Alaska Department of Natural Resources (DNR), Recorder's Office. Updates from January 1 to February 28, 2007 have also been included and are the basis of this analysis. Data collection is limited to individual lien items of \$500 or more. Liens unrelated to cities, tribes, utilities, or community non-profit associations are excluded. Liens issued to independent subsidiaries of tribal or community entities or for-profit private corporations are also excluded.

DATA LIMITATIONS

Recorder's Office data has specific lien-related limitations. Data only represents debts for which liens have been issued. The recording of liens or their release may not be current due to reporting or recording delays. These delays can lead to significant differences between the amount of reported lien-related debt and actual lien-related debt.

The search feature of the Recorder's Office database is also limited. Keyword searches find only matches that begin with the term entered. Wildcard searches are prohibited. Consequently, records which include misspellings, have an unexpected word order, or lack information may be unintentionally omitted from this report.

Finally, real property liens are not included within this report. Real property lien releases sometimes describe the parcel without identifying the entity released from the lien. This can lead to a lien being legally released with no record linked to the entity, making the data unreliable for measurement.

Despite limitations, Recorder's Office data is the most comprehensive and current source of lienrelated public record data in Alaska and is valuable in identifying communities at risk.

JANUARY - FEBRUARY 2007 LIEN ACTIVITY

Lien Profile Summary

For the period between July 1, 2000 and February 28, 2007; 342 individual active lien items of \$500 or more were connected with 68 city, tribal, and utility entities in 59 communities across rural Alaska. The median debt load per individual lien item is \$4,933. Over half (51%) of the lienholding entities owe at least \$20,000. Twelve of the 68 entities (18%) owe more than \$100,000.

Liens Released

During the period of January 1 to February 28, 2007, Chevak City Council and City of Nondalton received releases from state and/or federal tax liens.

Chevak City Council was released from IRS 941 liens dating from first quarter 2004 through fourth quarter 2004. This results in an overall reduction of \$76,525 in tax burden, or 47% of the prior balance. Chevak has unresolved IRS 941 liens dating from first quarter 2005 to fourth quarter 2005 in the amount of \$72,608 and EST liens totaling \$12,300; however, no additional liens were filed against Chevak during the first two months of 2007.

City of Nondalton also received a certificate of release for an EST lien of \$616 covering second quarter 2005. Nondalton still owes \$3,025 in unpaid EST liens.

Employment Security Tax (EST) Liens Issued

During the period of January 1 to February 28, 2007, new EST liens have been filed against six municipal entities including Akhiok, Alakanuk, Ambler, Elim, Nulato, and Shaktoolik; and seven tribal entities including Chefornak, Hoonah, Huslia, Hydaburg, Noorvik, Tok, and Tununak (Appendix B). For Ambler, Hoonah, Hydaburg, Nulato, and Tok, these represent the only active lien items filed against them.

Huslia and Tununak now have EST liens spanning three consecutive quarters up to third quarter 2006, while Alakanuk and Akhiok face four consecutive quarters of EST liens. Noorvik has EST liens covering three non-consecutive quarters spanning from fourth quarter 2005 to third quarter 2006. Shaktoolik has EST liens covering all quarters spanning from first quarter 2003 to third quarter 2006.

Chefornak has EST liens covering three non-consecutive quarters from second quarter 2001 to third quarter 2006. In addition to three EST liens, Chefornak faces liens for one quarter of unpaid IRS 6721 taxes and twelve quarters of IRS 941 taxes. Chefornak's combined lien burden is \$132,270.

Internal Revenue Service (IRS) 941 Tax Liens Issued

During the period of January 1 to February 28, 2007, the Recorder's Office recorded new liens filed by the IRS to recover 941 taxes from City of Elim, Kasigluk Village Council, City of Lower Kalskag, and Napaskiak Tribal Council (Appendix B).

The lien against Kasigluk Village Council in the amount of \$12,657 covers second quarter 2006. Napaskiak's liens span two consecutive quarters, first and second quarters 2006, and total \$20,812.

City of Lower Kalskag's newly issued liens cover five consecutive tax periods from fourth quarter 2003 to fourth quarter 2004 plus second quarter 2006. These liens are in addition to Lower Kalskag's prior recorded liens for third quarter 2000 (IRS 941) and fourth quarter 2001 (IRS 6721). The combined federal tax lien burden against City of Lower Kalskag now totals \$43,155.

IRS 941 liens against City of Elim now span three consecutive quarters, from second quarter 2005 to fourth quarter 2005. The amount owed to the IRS for these three quarters totals \$107,130.

APPENDIX A: LIEN DESCRIPTIONS

State Tax Liens:

- Alaska Employment Security Tax (EST) Taxes collected by the State of Alaska, Department of Labor and Workforce Development to support the Unemployment Insurance Program.
- Fisheries Business Tax Taxes due to the State of Alaska General Fund. Monies are split between the city and/or borough in which processing occurs and an allocation program administered by the State of Alaska, Department of Commerce, Community, and Economic Development.
- Seafood Marketing Tax Taxes due to the State of Alaska General Fund, typically for redistribution to the Alaska Seafood Marketing Institute for the purpose of marketing Alaskan seafood.

Federal Tax Liens:

- **IRS 6721** Refers to the portion of the Internal Revenue Code authorizing the IRS to penalize employers for providing false or incomplete information on an information return, such as a wage statement, filed with the IRS.
- **IRS 940** Taxes owed to the IRS based on the federally mandated employer's contribution under the Federal Unemployment Tax Act (FUTA).
- **IRS 941** Taxes owed to the IRS based on employee withholdings relating to federal income, social security, and Medicare taxes.
- **Subordination of Federal Tax Lien -** An agreement between an entity and the IRS which allows other liens to take precedence over the debt owed to the IRS.

Court-Ordered Liens:

- **Default Judgment -** Judgment entered against a party who has failed to defend against a claim that has been brought by another party.
- Final Judgment Judgment which leaves nothing open to further dispute and sets at rest cause of action between parties. A Judgment is considered "final" and thus appealable only if it determines the rights of the parties and disposes of all of the issues involved so that no further action by the court will be necessary in order to settle and determine the entire controversy.
- Hospital's, Physician's, and Nurse's Lien An operator of a hospital in the state, a licensed special nurse in a hospital, or a physician who furnishes service to a person who has a traumatic injury has a lien upon any sum awarded to the injured person by judgment, settlement, or compromise.
- Judgment on Confession Judgment entered where the defendant confessed action. The act of a debtor in permitting judgment to be entered against him by his creditor for a stipulated sum. In Alaska, a confession judgment can be entered before or after the commencement of action in Superior Court.
