Good morning, Aaron;

I have rolled the application back to "new" status. Once you have removed Richard Hobbs and click the submit button, a new public notice will generate. This new public notice will need to be used to comply with the requirements of MJ-07 and MJ-08 (post for 10 days, local government notice, community council notice). Please submit new Mj-07 and MJ-08 once you have complied with the requirement.

The incomplete letter originally sent still applies minus items related to Richard Hobbs.

Division of Corporations will need to be notified of the change; we will need a copy of any paperwork you send to Division of Corporations to make this change. Please note that applications will not get deemed complete unless and until Division of Corporations reflects the most updated information they need to have.

Thank you

-Jane

AMCO,

Please move our application (license #10671) to initiated so we can remove the financial interest for Richard Hobbs.
