> Reasons against Retail Marijuana Store:
> Retail Marijuana Store
> Within Aprox 66 ft of a 60 yr old park/campground and public toilets.
> Within Aprox 120 ft of Federal Ranger Station Within Aprox 500 ft of Talkeetna Historic District, Church, Fish Hatchery Exhibit All above are specific violations of Alaska Marijuana Laws by Retail Marijuana Store in proximity of.
> Talkeetna is unincorporated and has no law enforcement.
> MCB is understaffed and can not enforce nor cover their own jurisdictions.
> Talkeetna has a severe opiate problem where public toilet filters are clogged with needles.
> The retail marijuana store would further attract drug users.
> The cruise lines have banned marijuana on their properties of which Talkeetna plays host to two large cruise line lodges and 300,000 visitors a year.
> A retail marijuana store in Talkeetna would further add law enforcement problems to visitors to Alaska and marijuana law enforcement in Talkeetna.
