Talkeetna Marijuana Shop on Main Street.

To whom it may concern,

This is not the kind of business Talkeetna needs. Talkeetna has done very well without it ! There is no market need for this .

Have some decency and put it in a red light district, where drugs, night club strippers abound.

Talkeetna is a destination for family recreation activities. We don't need an invasion of druggies searching for a thrill.

Currently there are 13 liquor licenses in the area and 6 churchs to serve the people. Although different forms of spirits served.

To have the long time, end of Main St Park removed by definition, from the SPUD , indicates a devious enterprise. This is right across the location of the proposed Pot shop. Within the setback requirments.

Talkeetna does not need a pot shop, (marijuana) on Main Street. Please reject this location and license .

Sincerely, Art Wettanen
