  - Pg 11 – Please expand upon your description of how your establishment will meet the requirements for employee qualifications and training.
  - Pg 12, 1st box – Please describe how you will store solid or liquid waste before making it unusable and disposing of it.

  - Pg 16, 1st box – Please provide an answer even if you do not intend to post a sign at your establishment.
- MJ-02 Premises Diagram
  - Is your residence part of the proposed licensed premises? If so, please note that persons under 21 will not be permitted in the residence. Is the office part of the proposed licensed premises?
  - Please *clearly* delineate the proposed licensed premises by using a marker to outline.
  - Please add labels to the diagram. For example, you state there are 2 rooms – flower room and veg room, but they are not labeled on the diagram. Where will you storage areas be?

- MJ-08 Local Government Notice Affidavit
  - Please complete Doing Business As box.
  - Please submit a copy of your public notice with the applicable community council for your area and complete the corresponding lines of this form.
- Publisher's Affidavit
  - The affidavit submitted shows the ad was published on March 8, 2016. The regulations require the ad be published once a week for three consecutive weeks. Please submit affidavits showing you met this requirement.
- Proof of Possession of Proposed Premises
  - The lease you provided allows for use only as a dwelling and specifically disallows business to be conducted on the property.
  - We would accept an amendment to the lease signed by the Landlord.

Please note per 3 AAC 306.025(f) you must make these corrections and submit these items to complete your application not later than 90 days after the date of this notice. If you fail to complete your application during the 90 day period after this notice, you will be required to file a new application and pay a new application filing fee to obtain a marijuana establishment license.
