Re: Limited Marijuana Cultivation Facility License Application #11382

Dear Applicant,

AMCO staff has reviewed the online application and supplemental documents submitted for the proposed marijuana establishment license referenced above. The following items need to be corrected and/or resubmitted.

Your answers in your operating plan and supplemental operating plan should demonstrate your knowledge and understanding of the marijuana regulations.

- Corrections related to Suites
  - According to your lease (and premises diagram), Denali's Cannabis Cache, LLC only has right of possession of Suite 420 of M.M. 238.9 George Parks Hwy, but you did not include the suite when you initiated your application or on your supplemental documents
  - AMCO has edited your physical address to include Suite 420 which has generated new advertisement and public notices
    - You will need to use the new advertisement notice to run a *one-time* correction ad in the newspaper and submit a new publisher's affidavit
    - You will need to use the new public notice and post for an additional 5 days at the premises address and other conspicuous location and re-submit to the Denali Borough. Then submit new forms MJ-07 and MJ-08
  - Section 1 – Establishment Information needs to be corrected to include the suite # in the premises address field for *each* MJ form
- Proof of Possession of Proposed Premises
  - The tenant on the lease should be Denali's Cannabis Cache, LLC as that the entity applying for the marijuana establishment license
  - The tenant signature line should also include Denali's Cannabis Cache, LLC

- MJ-01Operating Plan
  - Page 12, box 1
    - Refer to 3 AAC 306.740 and provide a description pertaining to *marijuana* waste
  - Page 13
    - Per 3 AAC 306.740(d) marijuana plant waste must be made unusable by *grinding*
- MJ-02 Premises Diagram
  - You must clearly delineate the restricted access areas
    - Per 3 AAC 306.325(c) and 306.710, any part of the licensed premises where marijuana or a marijuana product is processed, tested, stored, stocked for sale or dispensed for sale should be in a restricted access area, however it appears you will be dispensing for sale in an area that is not a restricted access area
  - Where is the refrigerator that will store marijuana products that is mentioned in your MJ-03 Retail Supplemental Operating Plan?
  - Any changes you make to your premises diagram will need to be reflected in your description on page 3, box 2 of form MJ-03 Retail Supplemental Operating Plan

Please note per 3 AAC 306.025(f) you must make these corrections and submit these items to complete your application not later than 90 days after the date of this notice. If you fail to complete your application during the 90 day period after this notice, you will be required to file a new application and pay a new application filing fee to obtain a marijuana establishment license.

Sincerely,

Christina Thibodeaux
