Re: Limited Marijuana Cultivation Facility License # 10489

Dear applicant,

The AMCO Staff has reviewed the documents submitted for the proposed marijuana establishment referenced above. Unfortunately, we are unable to process your application for the following reason(s):

- According to your Operating Plan, more specifically MJ-04, and your diagram you have applied for the incorrect type of license; five hundred square feet or more under cultivation requires a standard marijuana cultivation facility license. Please submit a new application for a standard marijuana cultivation facility license by following all the instructions and requirements for this type of marijuana establishment license.

Please contact us if you have further questions.

Sincerely,

Cynthia Franklin, Director
