We received a letter from Tina Yi and Hyon Yun, owners of YNY Investment LLC dated Oct 1st, 2016. The letter wasn't even postmarked until November 3, 2016. This letter gave us 30 days to respond from the October 1st date. Copy of the letter and envelope is enclosed.

YNY Investment LLC is advising us that they are applying for a Retail Marijuana Store License #11303, doing business as "Hollyweed 907" and as a new marijuana Product Manufacturing Facility license #11304, located at 2429 E 88th Ave. Anchorage, AK 99507. Our driving school location is right across the street at 2440 E 88th Ave Ste. B, Anchorage, AK 99507. We are a licensed School under the State of Alaska; therefore, we object to a Marijuana Retail and Manufacturing Facility being located across the street from a Driving School. This now makes three licenses for marijuana facilities around our school. Tempt LLC license #11091 Cultivation right next door and YNY Investment LLC Licenses #11303 and #11304 Retail and Manufacturing across the street.

We have been in business since 1991 and at our current location for 14 years since August 01, 2002. We do not have plans on relocating our office/classroom. We teach children from ages 14 on up how to drive. We have a contract with the Anchorage School District as a vendor to teach Driver Education to Charter School students. We hold our 8-hour Defensive Driving classroom session on Sundays at our facility at the above address; otherwise, the student is in the vehicle on the road with an instructor. One day each week they are practicing parallel parking in the parking lot and on another day taking a State Road Exam from our location. We also are a third-party contractor for State of Alaska Road Exams and provide them every Friday to the general-public.

Per the Alaska Administrative Code 3AAC 306.010 (a) the board will not issue a marijuana establishment license if the licensed premises will be located within 500 feet of a school ground etc. Attached is a photo from Google showing the positions of all the businesses.

Sincerely

Raymond W Hysom and Leslie G. Hysom
