Hi Ron, this is Chris Euscher and I wanted to follow up with you on our community impact and input meeting we held on June 5th from 3pm to 5 pm at the Dimond Center Hotel in the same room we use for the Community council. We mailed out 169 letters to inform the community with in the 500 ft. radius of this meeting and was prepared for a large turn out, we had refreshments and cookies and not one person showed up from the community, I was a bit disappointed but we have had an open door since we started and people in the community around our facility have reached out to us and have been very supportive, I even received a positive letter from another business owner across the street from us. I am sending you a copy of the sign in sheet for this event and the people on it were people we brought and Kim Kole was a head of us for the room rental and just stayed to be supportive.
I also wanted to extend the invitation to have you come down to 7801 King Street, to see our progress so far as well as our camera system.
Thank you for your time and looking forward to seeing you in the future, we are at the building M-F 9:00am to 5:00pm.

Regards,

Chris Euscher
CEO of R.C. Tinderbox
