Good morning;

I have uploaded the corrections submitted.

There are few more things that need to be addressed, one of which I failed to address on the initial incomplete letter.

- MJ-00: The updated MJ-00 for Mike had the two boxes initialed, but it should only be one.
- MJ-03: Page 1 of MJ-03 with the updated premises address was not submitted.
- MJ-07: Was the updated public notice posted at another conspicuous location for five days?. It was not indicated on the new MJ-07
- And lastly (my error): The newspaper ad needs to run one more time (one more week only) with the updated address that includes Upper Level, and a new publisher's affidavit needs to be submitted.

Thank you
