Re: Standard Marijuana Cultivation Facility #11957

Dear applicant,

The AMCO Office is reviewing the documents submitted for the proposed marijuana establishment license referenced above. The following items need to be corrected and/or resubmitted**.**

- **MJ-00 Application Certifications**
  - Page 1-section 1: the context of "Licensee" in this section is the name of the LLC. Correct and initial. Please use your standard coversheet as a guide if necessary.

- **MJ-01 Operating Plan**
  - This application will need to be re-done. There are quite a few corrections that would need to be made that only correcting sections would make it more complicated. Provide answers specifically on marijuana cultivation, things to watch out for:
    - Context of "Licensee" on page 1-section 1 is the name of the LLC.
    - Throughout MJ-01 you mention marijuana products, and manufacturing. Cultivation facilities are not allowed to manufacture marijuana products.
    - Your answer on the first box of page 5 needs to include how you will prevent diversion of marijuana by employees.
    - On page 11 you mention that marijuana handler permit applicants will provide AMCO's director a criminal background check. FYI, currently, the only persons that are subject to a background check is licensee or proposed licensee. If requiring a criminal background check will be part of your policy that is fine, but we do not run background check on marijuana handlers that are not licensees.

- **MJ-02 Premises Diagram**
  - Page 1-section 1: the context of "Licensee" in this section is the name of the LLC. Correct and initial. Please use your standard coversheet as a guide if necessary.
  - Mike, I have several questions about your diagram that I don't know where to start. Please call me.

- **MJ-04 Cultivation Supplemental**
  - Page 1-section 1: the context of "Licensee" in this section is the name of the LLC. Correct and initial. Please use your standard coversheet as a guide if necessary.

- Page 4-first box: please expand upon your answer and describe the marijuana cultivation's solid waste disposal arrangements.
- Page 5: please expand upon your answer and describe how you will meet 3 AAC 306.465.

- **MJ-07 Public Notice Posting Affidavit**
  - Page 1-section 1: the context of "Licensee" in this section is the name of the LLC. Correct and initial. Please use your standard coversheet as a guide if necessary.

- **MJ-08 Local Government Notice Affidavit**
  - Page 1-section 1: the context of "Licensee" in this section is the name of the LLC. Correct and initial. Please use your standard coversheet as a guide if necessary.

- **MJ-09 Statement of Financial Interest**
  - Page 1-section 1: the context of "Licensee" in this section is the name of the LLC. Correct and initial. Please use your standard coversheet as a guide if necessary.

- **Proof of Possession for Proposed Premises**
  - The document you submitted as proof of possession for the proposed premises is inadequate. If the proposed premises is owned by the applicant, in this case Last Frontier Joint Operations, LLC, we need copy of the recorded deed. If Last Frontier Joint Operations, LLC is leasing then we need a legally binding commercial lease. The lease must incorporate an acknowledgment from the landlord/lessor that the premises will be used for a marijuana establishment, and a statement that the landlord/lessor may not remove or take possession of marijuana, and AMCO enforcement will be contacted.

- **Entity Documents**
  - Please provide Last Frontier Joint Operations, LLC's operating agreement.

If we do not receive your completions within 90 days, per 3 AAC 306.025(f), you must file a new application and pay a new fee.

Sincerely,

Jane Sawyer, Occupational Licensing Examiner
