Re: Retail Marijuana Store License #10590

Dear applicant,

The AMCO Office is reviewing the documents submitted for the proposed marijuana establishment license referenced above. The following items need to be corrected and/or resubmitted. **All corrections/additions to any form(s) must be initialed by the proposed licensee.**

- **MJ-01 Operating Plan**
  - Page 4, second box; you state that you will have sensors on windows that open, what about windows that do not open?
  - Page 5, first box; please expand upon your answer on this box and describe how you will prevent diversion from employees.
  - Page 12, first box; incineration of waste is not allowed, please describe your alternate method of disposing of waste.
  - Page 13, incineration of waste is not allowed, please describe your alternate method of disposing of waste.

- **MJ-02 Premises Diagram**
  - Is the building in which your proposed marijuana establishment, including this retail marijuana store, shared in any way by you and other types of business(es) ? In other words, does more than one entity/person, including Kanoe M Zantua & Ayme S Zantua, have a lease to 9735 Mud Bay Road, Ketchikan, AK? The aerial drawing of your premises appeared as though there should be a unit/suite number to your premises. Depending on the answer to this question is how your application moves forward.

- On the aerial view diagram please clearly outline the proposed premises for this retail marijuana store.
- On the retail store diagram; please clearly mark and label what the licensed premises and the restricted access areas will be.
- Please clearly label where the surveillance room will be.
- Is the "smoking room" the proposed consumption area?

- **Proof of Possession for Proposed Premises**
  - Please provide a signed commercial lease
  - Section 20, Distress; please have the landlord incorporate a statement along the lines of …except marijuana and/or marijuana products… and that State of Alaska AMCO will be contacted..

Please return the incomplete items within two weeks of the date of this letter. Receipt of the items within two weeks will keep your application at the top of our worklist. If we do not receive all of the completed items within two weeks, your application will be moved to the back of the "Under Review" worklist. If we do not receive your completions within 90 days, per 3 AAC 306.025(f), you must file a new application and pay a new fee.

Sincerely,

Cynthia Franklin, Director
