- **All MJ Forms/Applications**
  - The names of all licensees must appear on page one (1), section 1, Establishment Information, of every MJ form/application (the same way it shows on your cover sheet).
- **MJ-01 Operating Plan**
  - Page 12, first box; please expand upon your answer and describe how you will store solid waste during the three-day waiting period required before making the waste unusable and disposing of it.
  - Page 15, second box; please describe the type of locked, safe, and secure storage compartments that will used in any vehicles transporting marijuana or marijuana product. The answer you provided does not adequately answer the question.
- **MJ-02 Premises Diagram**

- **Proof of Possession for Proposed Premises**
  - All three partners need to be the tenants on the lease (only two partners show as the "tenants")

Please return the incomplete items within two weeks of the date of this letter. Receipt of the items within two weeks will keep your application at the top of our worklist. If we do not receive all of the completed items within two weeks, your application will be moved to the back of the "Under Review" worklist.
