Jana,

The very last thing we need is for Division of Corporations to update the ownership breakdown of FSE, Inc. before the director deems the application complete. The cut-off date for applications to be in front of the board is November 18th.

I did call Division of Corporations, they said they received the paperwork on 11/8/16, and that it takes them 2-3 weeks to review it and update the information (assuming the paperwork submitted is accurate).

Thank you
Jane

AMCO Team: Due to the MCB's focus on packaging and labels for products, we wanted to provide more detail as to the packaging and labeling for Good Titration's products. I have added some more pictures and labels to MJ05. Attached you will find MJ05 in its original version and MJ05 revised with labeling and packaging detail. Please let us know if you have any problems with us submitting the more detailed version of MJ05. Thanks!
