Re: Retail Marijuana Store License Application #10267

Dear Applicant,

AMCO staff has reviewed the online application and supplemental documents submitted for the proposed marijuana establishment license referenced above. The following items need to be corrected and/or resubmitted.

- MJ-02 Premises Diagram
  - Please clearly delineate the outer boundaries of the proposed licensed premises by outlining in another color
    - When an AMCO investigator is looking at your diagram, it should be very clear what areas will be the "licensed premises" as defined in 3 AAC 306.990(23) and what areas will not be licensed premises.
  - Clearly label the restricted access areas on your diagram
  - Label any marijuana storage areas on your diagram
  - Please be sure that the diagram clearly shows how marijuana and marijuana products at the retail store will be displayed, sold, stored and dispensed
    - Per 3 AAC 306.325(c) and 306.710, any part of the licensed premises where marijuana or a marijuana product is grown, processed, tested, stored, stocked for sale or dispensed for sale should be in a restricted access area
- Proof of Possession of Proposed Premises
  - The signature page of the lease must include the printed names of the lessee and lessor as well as the corporation name, AM Frontier, Inc.
- Entity Documents
  - Please submit your corporation's bylaws
  - The Division of Corporations website still does not reflect your percentage of shares owned. Please contact them to have this corrected.

Please note per 3 AAC 306.025(f) you must make these corrections and submit these items to complete your application not later than 90 days after the date of this notice. If you fail to complete your application during the 90 day period after this notice, you will be required to file a new application and pay a new application filing fee to obtain a marijuana establishment license.

Sincerely,
Cynthia Franklin, Director
