## **Assignment of Collective Mark**

(AS 45.50)

- For a "How To" guide to successfully register a trademark, as well as a list of FAQs, visit our website at www.Corporations.Alaska.Gov and select *Register a Trademark*.
- Standard processing time for complete and correct filings submitted to this office is approximately 10-15 business days. All filings are reviewed in the date order they are received.

1.	Important:		AS 45.50.010205		
	This form is only used to change the registrant (owner) of a collective mark.  An "Assignment" form may be used to change the registrant (owner) of a collective mark currently registered with the State of Alaska. An assignment will not extend the term of a mark; the mark will maintain its current expiration date. A Certificate of Collective Mark Assignment will be issued upon approval of the assignment, reflecting the new ownership. If the owner is <i>not</i> changing, but the current registrant's information has changed since the registration or renewal was filed, use the "Amended Registrant Information" application (form #08-4741).  A collective mark registration is valid only in the State of Alaska. The Corporations Section does not check an application against other states' registrations or registrations on file with the U.S. Patent and Trademark Office. If you require assistance, you are advised to seek the services of an attorney or other qualified professional specializing in trademark law.
