Re: Retail Marijuana Store #10883

Dear applicant,

The AMCO Office is reviewing the documents submitted for the proposed marijuana establishment license referenced above. The following items need to be corrected and/or resubmitted. **All corrections/additions to any form(s) must be initialed by the proposed licensee.**

- **MJ-01 Operating Plan**
  - Page 12, first box; please expand upon your answer and explain how your will store marijuana waste during the three-day waiting period required under the regulation before it is rendered unusable.
- **MJ-02 Premises Diagram**
  - Please provide an aerial view of the premises clearly showing the proposed premises and surrounding buildings.
  - On the diagram you submitted; please very clearly show your licensed premises and restricted access areas (use different color). Your service area should be a restricted access area if you are storing marijuana there. Call if you have questions regarding the diagram. Licensed premises and restricted access areas have a slight difference.
- **MJ-07 Public Notice Posting Affidavit**
  - Please provide the Start and End date of when the public notice was posted at the proposed premises and the "local Post Office".
  - Please provide the address of the local post office where you put up the public notice.

- **Proof of Possession for Proposed Premises**
    - Please provide a more legible lease. The one submitted is a little blurry and hard to read. This clearer lease needs to have the following corrections/amendments:
        - The tenants on the lease need to be the three owners of the marijuana license
        - The lease needs to include an acknowledgement from the landlord that the premises will be used for a marijuana establishment.
        - The lease needs to include a statement along the lines of … the landlord will not remove marijuana or marijuana products… and that State of Alaska-AMCO will be contacted (in case the premises gets repossessed or matters like that).

Please return the incomplete items within two weeks of the date of this letter. Receipt of the items within two weeks will keep your application at the top of our worklist. If we do not receive all of the completed items within two weeks, your application will be moved to the back of the "Under Review" worklist. If we do not receive your completions within 90 days, per 3 AAC 306.025(f), you must file a new application and pay a new fee.

Sincerely,

Cynthia Franklin, Director
