Good morning, Jason;

I have uploaded some of the corrections submitted. However, please address the following further corrections:

- The updated lease submitted has no dates, and it was not signed. Please complete the lease and submit.
- Your diagram needs to also show what the licensed premises will be as requested on the letter (call if you have questions regarding this)

Please note that we will not be sending reminder emails regarding any corrections that need to be submitted. This application is still in incomplete status.

Thank you

Hello,

Please find attached documents with requested updates. I could not get the original lease document to look any more sharp, so I had the landlord print out the original copy. He wanted to maintain the signed original copy, so we did not sign the legible copy. Please let me know if there are any questions.

Thank you,

Jason
