Re: Standard Marijuana Cultivation Facility License Application #10092

Dear Applicant,

AMCO staff has reviewed the online application and supplemental documents submitted for the proposed marijuana establishment license referenced above. The following items need to be corrected and/or resubmitted.

- MJ-01 Operating Plan
  - The sample badge you submitted does not include a photograph. Per 3 AAC 306.710(c), the ID badge must bear the person's photograph. Please submit a sample ID badge that complies with this regulation.
- MJ-02 Premises Diagram
  - You have outlined your restricted access area on your diagram, but please also clearly delineate the outer boundaries of the proposed licensed premises by outlining in another color
    - When an AMCO investigator is looking at your diagram, it should be very clear what areas will be the "licensed premises" as defined in 3 AAC 306.990(23) and what areas will not be licensed premises.
  - Please label any marijuana storage areas on your diagram.
- MJ-08 Local Government Notice Affidavit
  - Your affidavit was signed and notarized before the date submitted to the local government. Please have the document re-notarized.
- Proof of Possession of Proposed Premises
  - The lease you submitted is not signed and therefore is not an official binding contract or document. It is also missing a date on page 1 and the business name on page 3 section 9.
- Entity Documents
  - Per 3 AAC 306.020(b)(3)(B) the Limited Liability Company agreement is a required document – also called an LLC Operating Agreement

Please note per 3 AAC 306.025(f) you must make these corrections and submit these items to complete your application not later than 90 days after the date of this notice. If you fail to complete your application during the 90 day period after this notice, you will be required to file a new application and pay a new application filing fee to obtain a marijuana establishment license.

Sincerely,
Cynthia Franklin, Director
