Re: Cannaboyd, License 10210;

Dear Boyd Jason:

At the July 7-8, 2016 meeting of the Marijuana Control Board in Fairbanks, Alaska, the board voted to table your application until the September 7th Meeting. The board's action was taken pursuant to 3 AAC 306.075(a)(1) which provides that the board will not approve or deny a license in 90 days from the application being determined complete if the time for local government's protest has not expired.

In the matter regarding your application, the Kenai Peninsula Borough's 60 day protest period had not expired at the time the board voted on your application. The board will take up your application at its September 7, 2016 meeting in Anchorage, Alaska. Please plan to be present either in person or by phone to answer any questions the board may have regarding your application.

Sincerely,

Cynthia Franklin
Director, ABC Board
