Re: Limited Marijuana Cultivation Facility License Application #10176

Dear Applicant,

AMCO staff has reviewed the online application and supplemental documents submitted for the proposed marijuana establishment license referenced above. The following items need to be corrected and/or resubmitted.

- MJ-02 Premises Diagram
  - Please refer to the definition of "licensed premises" found in 3 AAC 306.990(23) and reduce your licensed premises to the area in which the marijuana establishment will carry out the business for which it will be licensed
  - Clearly indicate the interior layout of any enclosed areas
  - Clearly delineate the proposed areas for cultivation
  - Label any areas where marijuana will be stored
- MJ-03 Retail Supplemental Operating Plan
  - Page 2 – Please give more descriptive labels for each room and be sure this description clearly matches your diagram labels
- Entity Documents
  - Per 3 AAC 306.020(b)(3)(B) the limited liability company agreement (also called the LLC Operating Agreement) is a required document

Please return the incomplete items within two weeks of the date of this letter. Receipt of the items within two weeks will keep your application at the top of our worklist. If we do not receive all of the completed items within two weeks, your application will be moved to the back of the "Under Review" worklist. If we do not receive your completions within 90 days, per 3 AAC 306.025(f), you must file a new application and pay a new fee.

Sincerely,

Cynthia Franklin, Director
