Good Afternoon-

We are working on creating new email group similar to the PSUM Email. We are hoping to have it up and running after the New Year.

Subject: PSUM Info E-mails

Dear AMCO Staff:
I used to receive e-mails from your office informing me of upcoming meetings, regulation drafts sent out for public comment, and other useful information. The reason I received these was because I had signed-up for them. However; after a while, they just stopped coming. I haven't received any of these information e-mails for several months now. I also cannot find where to sign-up again on your website.
Please tell me how to sign-up to receive information from your office on a regular basis.
Thanks, Jim
