Re: Standard Marijuana Cultivation Facility license application #10137

Dear applicant,

The AMCO Office is reviewing the documents submitted for the proposed marijuana establishment license referenced above. The following items need to be corrected and/or resubmitted.

- MJ-01 Operating Plan
  - The first section on page 7 of this form needs to be expanded upon. Please describe *how* you will meet the requirements of 3 AAC 306.720(b).
- MJ-02 Premises Diagram
  - We need more information/clarification on your diagram. Is the diagram marked "Cultivation Main Premises Area" the complete proposed licensed premises for the standard cultivation license? If so, please indicate the areas to be under cultivation including the clone and seed room, veg room and flower room. What are the benches?
- Proof of Possession of Proposed Premises
  - Since the tenant is Croy's Enterprises LLC, we need James Harris to incorporate the LLC name on the signature page of the lease.
- Entity Documents
  - Per 3 AAC 306.020(3)(B) the limited liability company agreement is a required document for LLC's.

Please note per 3 AAC 306.025 (f) you must complete the application not later than 90 days after the date of this notice, or you must file a new application and pay a new application fee.

Sincerely,
Christina Thibodeaux
