Good morning,

As of right now, our system does not show a person by the name Tom Dreyer to have initiated a retail marijuana store application.

If wish to lodge an objection to a specific application please follow the instructions on our website
https://www.commerce.alaska.gov/web/amco/OtherMarijuanaResources.aspx .

Your email is otherwise being forwarded to the Marijuana Control Board's email box which they only see during board meetings.

Thank you

Subject: Concern regarding Marijuana Retail business

To Whom It May Concern,

I was at the Old Seward/Ocean View Community Council meeting on Nov. 22 and heard the notification by Tom Dreyer and his group. I am very concerned about that type of business going in this neighborhood, or any where for that matter. The information raised at the gathering of neighbors regarding that type of retail business is a hazard on many levels.

Some of the issues were:

It is next to a pizza business that caters to youth teams and families.

It is near the elementary school where I work.

Where do the customers go after they leave the store?

The criminal history of the majority owner of the business.

Can we say definitively that this drug is safe?

Please consider keeping this neighborhood safe and healthy. It is where we have raised our 8 children and done volunteer work to improve it. I have coordinated the flowers at Brandon and Old Seward for 20+

years.

I have hope and confidence in the future, because I work with young people every day. Let’s use our skills and influence to make this city better and stronger.

Thank you for considering my request.

Sincerely,

Clarissa Smith
