Hello,

MJ-07: yes please have the proposed licensee fill out a new one.

POPPP: on the signature part of the master lease. Please put some printed names on it. As far as the lessee's signature, the lessee is a company, we need the name of the company on the signature line and who is signing as the rep. of this company.

Thank you
AMCO Staff

Dear AMCO Team:

Below we address the incomplete items identified in your July 27th, 2016 correspondence.

(1) POPP – you requested the master lease which indicates the lessor is aware of the marijuana establishment use – please see attached Master Lease and Paragraph 7 which indicates lessor is aware and agrees that Lessee may use property for marijuana establishment.
(2) B3 in sublease references the zoning type in the municipality of Anchorage – there are no suite numbers.
(3) MJ01 operating plan badge – attached to this email.
(4) MJ02 – you requested an aerial view of the premises – please see attached picture.
(5) MJ07 – the end date of posting was 5.25.2016, do you need a new affidavit notarized and signed by the applicants or is this email sufficient?

Please let us know if you need anything else – thank you,

Good Afternoon – I am following up on the status of license no 10303 – my client Mike came into the AMCO office last week and there was some confusion regarding his application and location of the application. He was told someone who was working on the file was out of the office until this week – so we just wanted to make sure you have all the pieces of the application for license number 10303 and confirm the application is under review (we paid the fee on 7.20.2016 see attached email indicating license is under review).

Thanks so much for your good work and clarification on this issue,
