Re: Limited Marijuana Cultivation Facility License #10500

Dear applicant,

The AMCO Office is reviewing the documents submitted for the proposed marijuana establishment license referenced above. The following items need to be corrected and/or resubmitted. **All corrections/additions to any form(s) must be initialed by the proposed licensee.**

- **All MJ Applications/Forms**
  - Just to clarify, you applied for this license as a sole proprietor not as an LLC. This said, on the first page of **all MJ applications/forms** you need to correct the licensee name. The licensee name is Aaron D Worthen not Frozen North Farms, LLC. Additionally, the doing-business-as is Frozen North Farms not Frozen North Farms, LLC.
- **MJ-01 Operating Plan**
  - Pages 3, 4 and 11 of MJ-01 were not submitted. Please submit these pages for review.
  - Page 12, first box; please expand upon your answer and explain how you will store solid waste during the 3-day waiting period.
- **Proof of Possession for Proposed Premises**
  - Please provide a recorded copy of the Statutory Warranty Deed. Additionally, if the Deed does not include the actual physical address stated on the marijuana establishment application, you must provide a notarized affidavit where you certify that the legal description on the Deed (write the legal description on the affidavit) is the same as the physical address stated on the application (write the physical address on the affidavit).

Please return the incomplete items within two weeks of the date of this letter. Receipt of the items within two weeks will keep your application at the top of our worklist. If we do not receive all of the completed items within two weeks, your application will be moved to the back of the "Under Review" worklist. If we do not receive your completions within 90 days, per 3 AAC 306.025(f), you must file a new application and pay a new fee.

Sincerely,

Cynthia Franklin, Director
marijuana.licensing@alaska.gov
