Re: Marijuana Product Manufacturing License Application #10012

Dear Applicant,

AMCO staff has reviewed the online application and supplemental documents submitted for the proposed marijuana establishment license referenced above. The following items need to be corrected and/or resubmitted.

- MJ-01 Operating Plan
  - Per the instructions on page 1 of this form, you can include formal business documents, "but all fields of this form must still be completed per 3 AAC 306.020(c)
  - Page 5, box 1 is not completed
- MJ-02 Premises Diagram
  - Please clearly outline the proposed licensed premises for the product manufacturing facility on the floor plan diagram
    - It should be very clear what areas will be the licensed premises for the product manufacturing facility and what areas will not when looking at your diagram
  - "licensed premises" is defined in 3 AAC 306.990(23) as any or all designated portions of a building or structure, or rooms
- Proof of Possession of Proposed Premises
  - The Parcel Data Sheet is not an adequate proof of possession
  - Please submit the deed to the premises

Please return the incomplete items within two weeks of the date of this letter. Receipt of the items within two weeks will keep your application at the top of our worklist. If we do not receive all of the completed items within two weeks, your application will be moved to the back of the "Under Review" worklist. If we do not receive your completions within 90 days, per 3 AAC 306.025(f), you must file a new application and pay a new fee.

Sincerely,

Cynthia Franklin, Director
