Chad,

Couple more things:

The label on page 4 of MJ-03, I attached it here, the warning statements are not verbatim. ALSO, can you make it bigger, easier to read?

MJ-01 page 15, while you and I were going back and forth on this, I found out that the transportation or transfer from retail to retail is still a confusing area/subject because it is prohibited under the statute (that's all the info I can give you, but I don't think you should be transferring or transporting to from retail to retail). So, can you provide a more general answer to the question without stating that you will transfer or transport to another retail. If you have questions regarding this matter, you will need to talk to enforcement.

Please note that this email does not extend the 90-day deadline to get this application complete. That deadline is 04/02/2018. However, I need the corrections in by 3/16/18 so I can schedule it for the April meeting, please.

Thanks
Jane

Hello Jane,

> Chad,

I reviewed the corrections submitted for the retail marijuana. Couple more things:

- MJ-01 Operating Plan:

    - The corrected page 15, first box: where you state that *"In certain instances a retail to retail transfer may be completed and held them for another retailer in the area until a time they could come pick them up"* This needs to be removed from this box, and you may not perform this action.

- MJ-02 Premises Diagram:

    - I need a Google-Earth-like aerial view diagram that clearly (label) shows your establishment, and what surrounds the marijuana establishment and the property (label it, too) such what other businesses, buildings, houses, etc.

- MJ-03 Retail Supplemental:

    - The warnings on the label on page 4 are not verbatim. More specifically The warning *"For use only by adults twenty-one and older. Keep out of the reach of children."* Your label does not have the word "*only*". Please correct that.

Please note that this email does not extend the 90-day deadline to get this transfer application deemed complete. That deadline is 04/02/2018.

The deadline to get this application deemed complete and be in front of the board in the April meeting is 3/16/18.

Thank you
