Good Afternoon,

The correction to MJ-01 has been uploaded into the licensing database and marked complete.

For MJ-02 Premises Diagram, you need to outline the areas that are the proposed licensed premises for the Retail Marijuana Store. Right now you are saying that the whole diagram is the licensed premises, but it includes the manufacturing kitchen as well.

When our investigator is looking at your diagram, it should be clear to them which areas are the licensed premises for the Retail Store and which areas are the licensed premises for the manufacturing facility.

Because the Deed does not state the physical address, please provide a notarized affidavit stating that the legal description provided in the Deed is the same as the proposed premises address in your application. The affidavit must list the legal description exactly as it appears on the Deed as well as the proposed premises address exactly as it appears on your application

Please let us know if you have any questions.

Thank you,
AMCO Staff
