Re: Retail Marijuana Store License Application #10021

Dear Applicant,

AMCO staff has reviewed the online application and supplemental documents submitted for the proposed marijuana establishment license referenced above. The following items need to be corrected and/or resubmitted.

- MJ-08 Local Government Notice Affidavit
  - Local Government line is not completed
    - Per the instructions at the top of the form, the applicant must submit the Public Notice document to the local government to comply with 3 AAC 306.025(b)(3)
- MJ-02Premises
  - The diagrams submitted are un-readable because the text and images are too small and become even more blurry when zoomed in
    - Please submit clearer diagrams with larger text and images
  - Please clearly delineate the outer boundaries of the proposed licensed premises by outlining in another color
    - When an AMCO investigator is looking at your diagram, it should be very clear what areas will be the "licensed premises" as defined in 3 AAC 306.990(23)and what areas will not be licensed premises.

Please return the incomplete items within two weeks of the date of this letter. Receipt of the items within two weeks will keep your application at the top of our worklist. If we do not receive all of the completed items within two weeks, your application will be moved to the back of the "Under Review" worklist. If we do not receive your completions within 90 days, per 3 AAC 306.025(f), you must file a new application and pay a new fee.

Sincerely,

Cynthia Franklin, Director
