Re: Retail Marijuana Store license application #10037

Dear applicant,

The AMCO Office is reviewing the documents submitted for the proposed marijuana establishment license referenced above. The following items need to be corrected and/or resubmitted.

- **MJ-01 Operating Plan**
  - Page 3: Please provide a copy sample identification badge (must include a photo) to be displayed by each licensee, employee, or agent while on the premises. What you provided was a sample of a visitor's badge.
  - Please re-read question on page 18; this question is in reference to "…persons under the age of 21 gaining access to any portions of the licensed premises and marijuana items". The answer provided addresses the prevention of access to marijuana items, but it does not address how you will prevent persons under the age of 21 from gaining access to the licensed premises.
- **MJ-02 Premises Diagram**
  - On your diagram please clearly outline (with marker or the like) what the licensed premises of the retail marijuana store will be, including the spaces that you will be sharing with the cultivation facility.
  - Clearly show the layout of the retail store as you describe it on MJ-03, page 3, including restricted access areas and overall licensed premises.
  - Please also provide sort of an aerial view of your establishment and label it. The board likes to see what surrounds the establishments.

- **MJ-03 Retail Supplemental**
  - Page 4; Please re-read 3 AAC 306.345 (a) and complete your answer to the first box on this page. The answer only addresses 306.345(a)(3), but not 345(a)(1) and 345 (a)(2).
  - Page 4, second box; your labels must include the marijuana establishment license number.

- **Proof of Possession for the Proposed Premises**
  - In the June 9th MCB meeting in which your cultivation facility was approved with delegation the board expressed concerns about Deborah Moore's joint ownership of the premises. This is a potential issue with the board for your retail marijuana store being that it is in the same premises. What else can you provide, in addition to what you have already provided, to satisfy the board?. Can you provide a lease from both of you to you only for the premises, for example?.

Please return the incomplete items within two weeks of the date of this letter. Receipt of the items within two weeks will keep your application at the top of our worklist. If we do not receive all of the completed items within two weeks, your application will be moved to the back of the "Under Review" worklist. If we do not receive your completions within 90 days, per 3 AAC 306.025(f), you must file a new application and pay a new fee.

Sincerely,

Cynthia Franklin, Director
