RE: Physical Addresses (Property Acct# 0458848)

Dear Owners:

The Fairbanks North Star Borough Code (17.10.100) requires all areas of the FNSB to use the borough-wide FNSB street addressing system. The Fairbanks North Star Borough has assigned the following physical address(es) to the existing structure on

LOT 5A2 PEGER INDUSTRIAL PARK

as located on the attached site plan.

The assigned address(es) for your property is:
3915 PEGER RD

For rapid and accurate dispatch of E-911 emergency aid (fire, police, ambulance), it is imperative that you post your numbers so they are clearly visible from the road.

Check with your phone and other telecommunication providers to insure the proper address appears in the E911 database.

Please post your numbers clearly on the structure, and at the driveway entrance if the building is not visible from PEGER RD

Reflective house number signs may be available free of charge from:

University of Alaska Fire Department (907) 474-5770

This letter should provide the necessary legalities for informing all applicable utility, title, mortgage, and insurance companies of the addresses assigned. If you have any questions, please contact me at Fairbanks North Star Borough, Department of Community Planning 459-1264.

Sincerely,

Bill Witte, GIS Tech – Street Addressing/E911
