Alaska Marijuana Control Board

Operating Plan Supplemental
Form MJ-03: Retail Marijuana Store

What is this form?

This operating plan supplemental form is required for all applicants seeking a retail marijuana store license and must accompany the **Marijuana Establishment Operating Plan (Form MJ-01)**, per 3 AAC 306.020(b)(11). Applicants should review **Chapter 306: Article 3** of the **Alaska Administrative Code.** This form will be used to document how an applicant intends to meet the requirements of those regulations. If your business has a formal operating plan, you may include a copy of that operating plan with your application, but all fields of this form must still be completed per 3 AAC 306.020 and 3 AAC 306.315(2).

What additional information is required for retail stores?

Applicants must identify how the proposed establishment will comply with applicable regulations regarding the following:

- Prohibitions
- On-site consumption
- Displays and sales
- Exit packaging and labeling
- Security

This form must be submitted to AMCO's main office before any retail marijuana store license application will be considered complete.

Section 4 – Displays and Sales

Describe how marijuana and marijuana products at the retail marijuana store will be displayed and sold:

All product containing marijuana and it's by-product will be listed on a menu for customers to view "products offered for sale" and to include test lab analysis content and strain. The currently available products will be displayed in glass containers inside a locking, glass display case on the sales floor of which only authorized employees have access to (interior of case). The sales counter will back up to a security door which will house the "distribution-storage" area where samples can be changed when necessary to acurately represent inventory available for purchase.

Only an employee with a Marijuana Handler Permit and authorized by this establishment may handle sales to persons 21 years of age who have provided a valid ID.

Section 5 – Exit Packaging and Labeling

Review the requirements under 3 AAC 306.345, and identify how the proposed establishment will meet the listed requirements.

Describe how the retail marijuana store will ensure that marijuana and marijuana products sold on its licensed premises will meet the packaging and labeling requirements set forth in 3 AAC 306.345(a):

The Retail establishment will check to make sure the requirements for marijuana labeling are fullfilled when the marijuana is packaged off the premises and will follow the requirements when it is packaged on the premises. The marijuana or a marijuana product sold will be packaged in opaque, resealable, child resistant packaging when the purchaser leaves the retail section of the licensed premises. For product packaged on premises, a container will be used that is similar to the one described here:

MARIJUANA CAN MAKE KIDS VERY SICK.

You can keep the children in your life safe and healthy by storing all marijuana products in a locked area that children cannot see or reach.

Children want to be like their parents and the other adults in their lives. When you use marijuana in front of them, they may want to use it, too. You can keep them safe and healthy by not using marijuana when kids are around.
