POSTING DATE July 21, 2016

Light pole near West Marine
@ Dimond D Circle
and Dimond Blvd.

OTHER CONSPICUOUS LOCATION-Explanation

July 21, 2016

In complying with MJ-07, this first notice was posted on the premises front door window and a second posting in a "other conspicuous location" was sought nearby…

As can be seen from the photos included, all businesses along Dimond D Circle are private business properties and aside from their signage or fencing surrounding their lots (this location being an industrial area), the light pole was the single, most public visible place to attach the second notice. There is no nearby post office, grocery store or public bulletin board in the immediate area.

The public frequently uses utility poles to post notices for lost pets, moving & garage sales as a means to notice the locals in the area.

If the Board determines another place more appropriate and acceptable, I am willing to re-post again at their suggested site.

Thank you.
