Re: Retail Marijuana Store license # 10162

Dear applicant,

The AMCO Office is reviewing the documents submitted for the proposed marijuana establishment license referenced above. The following items need to be corrected and/or resubmitted. **All corrections/additions to any form(s) must be initialed by the proposed licensee.**

- **MJ-01 Operating Plan**
  - In reading your MJ-01 it appears that there is a little confusion regarding "Restricted Access area" and "Licensed Premises", or the difference between the two for that matter. The area(s) where patrons 21 or older come in to your store to look and/or buy your product does not need to be a restricted access area(s), it only needs to be part of the licensed premises overall. In other words, the regulation did not contemplate for patrons in a retail marijuana store to be in a restricted access area in the normal course of business. Please re-read the regulations and your MJ-01 (possibly MJ-03) and amend accordingly regarding restricted access area(s), and licensed premises.
    - Or are you saying that even the retail area where the public comes to look and/or buy your product is also going to be a restricted access area in a sense that you do not want more than five patrons in your store, but not necessarily because it will actually be a "restricted access area" as defined on the regulation.

- **MJ-02 Premises Diagram**
  - Some of the words (labels) on "The Frost Frontier LLC Concept Plan" diagram are too small to read, please make it larger.
  - Is there a reason why your diagram says "The Frost Frontier LLC Concept Plan" when the applicant of this license is The Frost Farms, LLC

- **MJ-03 Retail Supplemental**
  - Page 4, first box; the answer to this question does not address regulation 3 AAC 306.345 (a). Please re-read and provide adequate answer.

- **MJ-07 Public Notice Posting Affidavit**
  - I have changed the unit number to "B" in our system. You should be able to go on line a print the updated Public Notice that must be posted at both the proposed premises and another conspicuous location for five (5) days. Please submit a new MJ-07.
  - Please provide a written explanation of how you believe that a light pole is an appropriate "other conspicuous location" to have put your public notice.

- **MJ-08 Local Government Notice Affidavit**
  - Please provide an updated public notice to the local government and submit a new MJ-08.

- **Publisher's Affidavit**
  - I have changed the unit number to "B" in our system. You should be able to go on line a print the updated Advertisement Notice to present to the newspaper for a one-time correction ad. Please submit the publisher's affidavit with copy of the ad.

- **Proof of Possession for Proposed Premises**
  - Please provide a lease written solely to The Frost Farms, LLC which is the applicant and proposed licensee of this retail marijuana store, include unit number.

Please return the incomplete items within two weeks of the date of this letter. Receipt of the items within two weeks will keep your application at the top of our worklist. If we do not receive all of the completed items within two weeks, your application will be moved to the back of the "Under Review" worklist. If we do not receive your completions within 90 days, per 3 AAC 306.025(f), you must file a new application and pay a new fee.

Sincerely,

Cynthia Franklin, Director
