Subject: Licenses within the Susitna Community Council

January 4, 2018

Dear Members of AMCO and the MCB,

Thank you for accepting my written testimony.

I am writing in support of the Marijuana/Cannabis industry within the SCC boundaries, allowing local commerce to grow without obstacles.

As a homeowner within the SCC's boundaries for 19 years I am writing in support of local licensed Cannabis cultivations, production & extraction facilities and retail facilities.

The licensing process to obtain a legal license in the State of Alaska to cultivate, process, extract and sell retail Marijuana/Cannabis is quite thorough, and there is no need to hinder licenses that are complete and do not pose a threat to public safety.

Thank you for taking the time to serve our community.

Sincerely,

Ember Haynes
