Good morning,

I have reviewed the corrections that were submitted. There are further corrections needed:

-MJ-02:

- For the diagram provided:
  - Please change the label for the orange marker to say, Licensed Premises. Additionally, please exclude the Tank Room from the orange outline. So, essentially, the green and orange outlines will outline the same area.
  - Also, because Restricted Access Areas need cameras, but the bathrooms should not have cameras, please use a third color to outline the bathrooms. Label the third color to say, Unrestricted Access Area.

-MJ-04

- Page 5: Your corrected answer looks good, except, please incorporate into your corrected answer- A marijuana cultivation facility shall segregate the entire batch from which the testing sample was selected until the marijuana testing facility reports the results from its tests.
- Page 6: I saw that you commented on page 8 that you will not be packaging (labeling) marijuana product for retail sale. However, according to 3 AAC 306.475(d), To each package of marijuana sold to another marijuana establishment, a marijuana cultivation facility shall affix a label setting out:

  (1) the name and license number of the marijuana cultivation facility where the marijuana was grown;

  (2) the harvest batch number assigned to the marijuana in the package;

  (3) the net weight of the marijuana in the package,

  (A) not including weight of the shipping container; and

  (B) using a standard of measure compatible with the marijuana cultivation facility's marijuana inventory tracking system; and

  (4) a complete list of all pesticides, fungicides, and herbicides used in cultivation of the marijuana.

  Please provide a sample of the label(s) of how you will comply with the labeling and packaging requirements.

* Note- Please submit the corrections no later than tomorrow, April 26th, to be considered for the May Board Meeting. If the requested corrections are received after tomorrow, and they are deemed complete, the following Board Meeting is June 13th.

Please send any documents/correspondence to marijuana.licensing@alaska.gov.

Respectfully,

Jacqlene Drulis
