PRINT YOUR FOOD WORKER CARD

Congratulations on passing the State of Alaska's Food Safety test and meeting all of the qualifications necessary to obtain a Food Worker Card and work in Alaska's food industry. You will need to print two copies: one copy for your employer and one to keep on your person.

Note, your Food Worker Card is good for a period of three years from today's date. Please keep your Test ID. It is your proof of qualifying to work in Alaska's food industry. If your card is lost or stolen, you will need your Test ID to come back to this page and print out a replacement.
