Re: Retail Marijuana Store License Application #10307

Dear Applicant,

AMCO staff has reviewed the online application and supplemental documents submitted for the proposed marijuana establishment license referenced above. The following items need to be corrected and/or resubmitted.

- MJ-02Premises
  - Please clearly delineate the outer boundaries of the proposed licensed premises by outlining in another color
    - When an AMCO investigator is looking at your diagram, it should be very clear what areas will be the "licensed premises" as defined in 3 AAC 306.990(23)and what areas will not be licensed premises.
  - If your proposed premises is located within a building or complex that contains multiple businesses and/or tenants, please provide an additional page that clearly shows the location of your proposed premises within the building or complex, along with the addresses and/or suite #'s of the other businesses and/or tenants within the building or complex
  - What is the diagram with dressing and showroom labels? Is that the current layout?
- MJ-03 Retail Supplemental Operating plan
  - Your description in Section 4 as well as your premises diagram do not appear to conform to the requirements set forth in the regulations, specifically 3 AAC 306.325(c) and 306.710
    - For example, any part of the licensed premises where marijuana or a marijuana product is grown, processed, tested, stored, stocked for sale or dispensed for sale should be in a restricted access area, but it seems you will be stocking and dispensing for sales in an area that is not a restricted access area
  - Please clarify what you mean by "locked secure areas" in section 4

        - Please review these regulations and amend your Retail Supplemental Operating Plan and premises diagram layout so that it meets the requirements
- Entity Documents
    - Your LLC Operating Agreement lists Anthony Mann %50 shareholder and Susan Nowland 50% shareholder, but that does not match what the Division of Corporations has listed in their database for SEU LLC
        - You need to contact the Division of Corporations: 269-8160 or https://www.commerce.alaska.gov/cbp/Main/CorporationDetail.aspx?id=10028588 to update your filing
- Proof of Possession of Proposed Premises
    - 17B Landlord remedies section ii needs to be amended to exclude marijuana and marijuana products from the property that can be removed by the landlord and that AMCO Enforcement will be notified if it needs to be removed
    - The Tenant signature should include SEU, LLC

Please return the incomplete items within two weeks of the date of this letter. Receipt of the items within two weeks will keep your application at the top of our worklist. If we do not receive all of the completed items within two weeks, your application will be moved to the back of the "Under Review" worklist. If we do not receive your completions within 90 days, per 3 AAC 306.025(f), you must file a new application and pay a new fee.

Sincerely,

Cynthia Franklin, Director
