To Whom It May Concern:

I have filled out all the paperwork required to obtain a Food Safety Permit from the Alaska Department of Environmental Conservation (DEC).

I filed my paperwork and fee with Greg Johnstone, the Environmental Health Officer for the Sitka Office. He reviewed the paperwork I turned into him and let me know I would be under review by the AK DEC and had no idea when an inspector would be out. He estimated September 2016.

In the meantime, construction has commenced and we will be compliant with all the rules the AK DEC has laid before us regarding Food Establishment requirements.

Please feel free to contact Greg Johnstone, Environmental Health Officer for the Sitka office of the DEC at (907)747-8614. Or please contact me at the above numbers if I can provide any further information.

Most Sincerely,

Anna Michelle Cleaver
