Lily,

You are going to have to print the document and scan it to yourself first (make sure everything is there) and send it to us.

If I want to save or print this document it shows a lot of portions of it blank.

Thanks

Once again, I had trouble separating one page from the rest of the PDF. My apologies.

Only page 2 has been filled in on this attachment. If you could please replace the second page in the original document with this one, we should be good to go on the Operating Agreements.

Thank you so much for your help and happy Friday!

Lily,

The Operating Agreement for Dankorage, LLC doesn't show Alaska Retail Operations, LLC as the 100% owner of Dankorage, LLC.

This is the last thing I need to proceed.

Thank you

Good afternoon!

Attached are the operating agreements for Dankorage and Alaska Retail Operations along with the amended forms 07 and 08.

I believe these are the last forms needed to move us from incomplete status to complete; please let me know if I'm forgetting something.

Thank you so much for all your help with this process. I know your department is working very hard on these applications and I truly appreciate all the feedback I have received.

Hope you have a wonderful rest of the week,
Lily Bosshart

Attached are the supplemental forms. I am reposting our Public Notice today. My computer is having a problem saving just one page of these forms so unfortunately I had to send the whole thing again for the Licensee updates.

Thank you so much!
