Re: Standard Marijuana Cultivation Facility #12618

Dear applicant,

The AMCO Office is reviewing the documents submitted for the proposed marijuana establishment license referenced above. The following items need to be corrected and/or resubmitted**.**

- **MJ-02 Premises Diagram**
  - Please delineate any area which will be licensed on the second story of your building.
  - There are two rooms designated for future use of separate licenses on your first floor. Please note if this diagram remains as is and you go forward with those plans you would have to amend this diagram's licensed premises to reflect that.
- **Proof of Possession for Proposed Premises**
  - Please include an amendment in the lease stating that the landlord may not seize or take possession of marijuana or marijuana product on the premises in the case of the landlord taking possession of the property and must contact AMCO for guidance.

If we do not receive your completions within 90 days, per 3 AAC 306.025(f), you must file a new application and pay a new fee.

Sincerely,

Mark Bailey, Occupational Licensing Examiner
