Hello Susan,

Just one quick question on your diagram. Are the product display cases on the opposite wall from your cash register counter for non-marijuana products only?

Thank you,

Hello,
Please let me know if there is any additional information that will be needed. I struggled how to modify the language in Section 4 on form MJ-03 with out redoing the complete form, so I just submitted an new Form Mj-03 with modification on Section 4 page 3 of 10.

This is a second e mail to follow up on our incomplete letter dated July 28, 2016.
Thank you,
Susan Nowland
