Good morning;

I reviewed your corrections but most of them were still incomplete or inadequate:

- You did not respond to the following question:

Online Application

  - On the online application you entered your PO Box as part of the physical address (proposed licensed premises). I will remove it once you confirm that you have read this.

- MJ-00: I need one completely and correctly filled out for each of you. Again, the context of "Licensee" on page 1-section 1 for each MJ-00 is both of your names.

- MJ-02: the corrected diagram did not adequately show what I was requesting on the incomplete letter.
  - You did not outline what the licensed premises will be, and what the restricted access area(s) within the licensed premises will be.
  - Is the house part of the licensed premises, for example.
  - Your diagram needs to be super clear without question what the licensed premises will be and the restricted access area(s) within the licensed premises. Call me if you need me to clarify this.

- MJ-08: you did not respond the following question:

MJ-08 Local Government Notice Affidavit

  - Which is the local government with jurisdiction over the proposed location. Your online application states is Ketchikan Gateway Borough, but your MJ-08 states is the City of Ketchikan. Please clarify.

- MJ-09: I need one completely and correctly filled out for each of you. Again, the context of "Licensee" on page 1-section 1 for each MJ-09 is both of your names.

- Proof of Possession of Proposed Premises
  - The lease you provided is still inadequate, it does not state who the lessor is, who the lessee is, it does not at adequately address

what the incomplete letter requested which is the following (consult with an attorney if you need help, we are not allowed to give you advice):

- Please provide a legally binding lease agreement to both Jesse Hoyt and Jacob G Rodriguez. The lease must incorporate an acknowledgement from the lessor/landlord that the premises will be used for a marijuana establishment, and that the lessor/landlord may not remove from the premises or take possession of marijuana, and AMCO enforcement will be contacted.

Entity Documents

- You applied for the marijuana establishment license under a general partnership not an LLC. You submitted an LLC's operating agreement in response to the incomplete letter where I was asking you to provide a partnership agreement. Please provide a partnership agreement between Jessee Hoyt and Jacob G Rodriguez as that's how the you applied for the license. If your intent was to apply under an LLC then you will need re-do the entire application. Please consult with an attorney regarding business structures, we are not allowed to give you advice.

Please note that this email is a follow up email in response to the corrections you submitted in response to the incomplete letter you were emailed on May 4th, 2017. It does not extend your deadline to submit a complete and accurate application which is 90 days from the date on the incomplete letter.

Thank you
