Good Afternoon,

I have reviewed your corrections from 6/8/17 and there are a few items still outstanding.

- Online Application
  - On the online application you entered your PO Box as part of the physical address (proposed licensed premises). I will remove it once you confirm that the PO Box should not be in the address block.
- MJ-02
  - Please indicate the areas that will be restricted access by noting the border of the rooms or shading the room. Highlighting the words is insufficient. Similar to how the cultivation areas was noted is acceptable.

Please note that this email is a follow up email in response to the corrections you submitted in response to the incomplete letter you were emailed on May 4th, 2017. It does not extend your deadline to submit a complete and accurate application which is 90 days from the date on the incomplete letter.

Best Regards,
