Good afternoon, Amilee,

I have processed the corrections dropped off yesterday. Two things:

- The updated page of the MJ-02 is unusable (I attached it). It is faded in its original form and becomes worse when I scan it. Please make a new one and resend it.
- Also, I have forwarded Mark's MJ-18 to enforcement for residency verification. They may or may not contact you, but just know.

Respectfully,

Jane P Sawyer
