Re: Limited Marijuana Cultivation Facility #12612

Dear applicant,

The AMCO Office is reviewing the documents submitted for the proposed marijuana establishment license referenced above. The following items need to be corrected and/or resubmitted**.**

- **MJ-01 Operating Plan**
  - On page 12 in the bottom box, please expand your answer in regards to the ratio of mix you will use.
- **MJ-02 Premises Diagram**
  - Please provide a completed MJ-02, not just the diagram.
  - Please indicate the border of the licensed premises on your floor plan
- **Proof of Possession for Proposed Premises**
  - In the lease please make it clear in the use section what the building is going to be used for.
  - In your lease, please amend it and include a section limiting the ability of the landlord to seize marijuana on the premises, along the lines of: "In the case of default and the Landlord obtains control of the property, they will not seize any marijuana or marijuana product and shall immediately contact AMCO Enforcement for guidance."

If we do not receive your completions within 90 days, per 3 AAC 306.025(f), you must file a new application and pay a new fee.

Sincerely,

Mark Bailey, Occupational Licensing Examiner
